IDEA Data Access Form

For noncommercial and scientific research purposes

This form applies to an application for a request of IDEA de-identified data. Relative data can be accessed for requests from verified academic researchers for noncommercial and scientific research purposes. Please fill out this form for your intended research in which the data will be used. The completed form can be submitted via email to linht5@mail.sysu.edu.cn together with the requested license. Submitted license and access forms will be evaluated by the data access committee at the State Key Laboratory of Ophthalmology, Zhongshan Ophthalmic Centre to verify whether the request is subject to any intellectual property, privacy protection, or confidentiality obligations.

1. Details of the primary applicant

Name:

Position / Function:

Institute / Organization:

Lab / Research Team:

Address:

ZIP or Postal code & City:

Country:
